

THOMASTOWN
SECONDARY COLLEGE

CAMPS AND EXCURSIONS

PURPOSE

To explain to our school community the processes and procedures Thomastown Secondary College will use when planning and conducting camps, excursions and adventure activities for students.

SCOPE

This policy applies to all camps and excursions organised by Thomastown Secondary College. This policy also applies to adventure activities organised by Thomastown Secondary College, regardless of whether or not they take place on or off school grounds.

This policy is intended to complement the Department's policy and guidelines on excursions, camps and adventure activities which all Victorian government schools are required to follow. Thomastown Secondary College will follow both this policy, as well as the Department's policy and guidelines when planning for and conducting camps and excursions.

This policy does not apply to student workplace learning or intercampus travel.

DEFINITIONS

Excursions:

For the purpose of this policy, excursions are activities organised by the school where the students:

- are taken out of the school grounds (for example, a camp, day excursion, school sports);
- undertake adventure activities, regardless of whether or not they occur outside the school grounds;

Camps are excursions involving at least one night's accommodation.

Local excursions are excursions to locations within walking distance of the school and do not involve 'Adventure Activities'.

Adventure activities are activities that involve a greater than normal risk. Further information and examples of adventure activities are available on the Department's website under Adventure Activities, at the following link:

<https://www.education.vic.gov.au/school/principals/spag/safety/pages/adventure.aspx>

POLICY

Camps are seen as an integral part of the College curriculum as they enable students to explore, extend and enrich their learning and social skills development in a non-school setting. Camps may have a cultural, environmental or outdoor emphasis and are an important aspect of the educational programs offered at our College.

For all camps and excursions, including adventure activities, our school will follow the Department's School Policy and Advisory Guide: [Excursions and Activities](#). For camps and excursions requiring school council approval, our school will also follow the Department's School Policy and Advisory Guide: [Safety Guidelines for Education Outdoors](#).

Planning process for camps and excursions

All camps and excursions will comply with Department planning requirements and must be approved by the Principal and School Council.

The Principal or their nominee will ensure that full records are submitted to Council regarding the camp well in advance of the starting date of the event and that no camp occurs unless all the formal record keeping has been completed and approved. Ideally all camps should be submitted to Council for in principle approval in the November/December Council meeting in the preceding year.

Staff wishing to organize a camp must complete a camp proposal form and lodge this with the Assistant Principal for reference to the Principal for approval. All camps must be approved prior to running. This decision will be made by the Principal or Assistant Principal. The Principal, in consultation with appropriate staff, will consider the educational outcomes of the camp as well as the impact on the College program for the proposed dates.

The Principal and Assistant Principal in consultation with organizing teachers will ensure that all camps, transport arrangements, emergency procedures and student/staff ratios comply with DET guidelines.

The College office will complete the "Notification of School Activity" online at www.eduweb.vic.gov.au/forms/school/sal/enteractivity.asp 4 weeks prior to the camp departure date, and pass it on to the Assistant Principal to ensure relevant details are recorded in the Daily Organisational Diary and are entered on the daily absence/planning sheets.

All approved camps will then be presented to School Council for their approval.

Part of this planning process also includes conducting risk assessments, to ensure that reasonable steps are taken to minimise the risks associated with each proposed camp or excursion. Thomastown Secondary College's risk assessment will include consideration of arrangements for supervision of students and consideration of the risk of bushfire activity in the excursion location. In the event of a Code Red Day being announced, excursions or camp activities in effected locations will be cancelled or rescheduled. Planning will also cover arrangements for cancelling, recalling or altering the camp or excursion for any other reason.

Thomastown Secondary College is committed to ensuring students with additional needs are provided with an inclusive camps and excursions program and will work with families during the planning stage, as needed, to support all students' attendance and participation in camp and excursion activities.

In cases where a camp or excursion involves a particular class or year level group, the Organising Teacher will ensure that there is an alternative educational program available and appropriate supervision for those students not attending the camp or excursion.

Supervision

Thomastown Secondary College follows the Department's guidelines in relation to supervision of students during excursions and camps.

All excursion staff will be familiar with supervision requirements and the specific procedures for dealing with emergencies on each camp and excursion.

All school staff will be aware that they retain overall responsibility for the supervision and care of students throughout all camps and excursions (including adventure activities), regardless of whether or not external providers are managing the activity.

Volunteer and external provider checks

Thomastown Secondary College requires all external camp or excursion staff working directly with our students to have a current Working with Children Check card.

Parent/carer consent

For all camps and excursions, Thomastown Secondary College will provide parents/carers with a specific consent form outlining the details of the proposed activity. Thomastown Secondary College informs parents about school camps and excursions by providing letters to parents/carers that asks for parent's/carer's signature confirming they consent to their child's participation. Parents/carers are encouraged to contact the school to discuss any questions or concerns that they or their child may have with a proposed camp or excursion.

Cost of camps and excursions, refunds and support

The cost of all camps and excursions are to be paid by parents/carers unless alternative arrangements have been agreed to by the Principal prior to the excursion. All families will be given sufficient time to make payments for all activities. Consent forms will have clearly stated payment amounts and payment finalisation dates.

Students who have not finalised payment by the required date will not be allowed to attend unless the Principal determines exceptional circumstances apply.

Thomastown Secondary College will make all efforts to ensure that students are not excluded for financial reasons. Families experiencing financial difficulty are invited to discuss alternative payment arrangements with the Business Manager/Principal/Organising Teacher. The Business Manager/Principal/Organising Teacher can also discuss family eligibility for the Department's Camps, Sports and Excursions Fund (CSEF), which provides payments for eligible students to attend school activities, including camps and excursions. Applications for the CSEF are open to families holding a valid means-tested concession card or temporary foster parents and are facilitated by the school. Further information about the CSEF and the application form are available at [Camps, Sports and Excursions Fund](#).

If a camp or excursion is cancelled or altered by the school, or a student is no longer able to attend part or all of the camp or excursion, our school will consider requests for partial or full refunds of payments made by parents/carers on a case-by-case basis taking into account the individual circumstances. Generally we will not be able to refund payments made for costs that have already been paid where those funds have already been transferred or committed to a third party and no refund is available to the school. Where possible, we will provide information about refunds to parents/carers at the time of payment.

Student health

Parents and carers need to ensure the school has up-to-date student health information prior to camps and excursions. A member of staff will be appointed with responsibility for the health needs of the students for each camp/excursion. Teachers will administer any medication provided according to our *Medication* policy and the student's signed *Medication Authority Form*. To meet the school's obligations relating to safety, a first aid kit and mobile phone will be taken by teachers on all camps and excursions.

It is the responsibility of parents and carers to ensure their child/children are in good health when attending excursions and camps. If a student becomes ill during a camp and is not able to continue at camp it is the parent/carer's responsibility to collect them and cover any associated costs.

Behaviour expectations

Only students that have displayed sensible, reliable behaviour at College will be permitted to participate in College camps. Parents will be notified if their child is in danger of losing the privilege to participate in a camp due to poor behaviour at College. The decision to exclude a student will be made by the Principal, Assistant Principal, Student Wellbeing Counsellor, in consultation with the Home Group teacher and the organizing teacher. Both the parent and the student will be informed of this decision prior to the camp. All students participating in a College camp will be asked to sign a contract agreeing to abide by all camp rules.

Parents will be requested to collect their child from camp if their child exhibits behaviour that is considered unacceptable or a danger to others. The Teacher in Charge, in consultation with a member of the leadership team, will make this decision. Costs incurred will be the responsibility of the parent.

Disciplinary measures apply to students on camps and excursions consistent with our school's *Student Wellbeing and Engagement Policy*, *Student Code of Conduct* and *Bullying Prevention Policy*.

Electronic Devices

Students will be permitted to bring electronic devices (such as iPads, iPods, mobile phones) but these may only be used during times set by the Teacher in Charge. Students are responsible for the care of any personal electronic device brought to a camp or excursions and the school will not be responsible for lost or damaged devices.

Accident and Ambulance Cover

Any costs associated with student injury rest with parents/carers unless the Department is liable in negligence (liability is not automatic).

Unless otherwise indicated, Thomastown Secondary College and the Department do not provide student accident or ambulance cover. Parents/carers may wish to obtain student accident insurance cover and/or ambulance cover, depending on their health insurance arrangements and any other personal considerations.

Educational purpose and program outline

Whatever you hope the students will learn from the program is its educational purpose. The program overview should give school council a basic understanding of how the program aims to achieve the educational purpose.

For example: *A three-day residential camp including bushwalking and orienteering to encourage an understanding of the natural environment; develop team working ability; and, introduce map reading and navigational skills in an experiential way.*

The supervision strategy should include the nature and level of supervision provided throughout the excursion or activity. You must consider all programmed and non-programmed periods.

Each different location in must be detailed, including the dates at each location. This will have an impact on transport requirements and the emergency response needs of the program.

Contact land managers to determine if permit or access requirements apply for activities that are conducted on public land or in state/national parks.

Joint excursions with other schools must be approved by each school council. Each school must submit an online notification to the Emergency Management and Security Branch.

Overnight accommodation

This includes all forms of overnight accommodation.

Residential camping is at sites with permanent facilities like dormitories, kitchen, showers, toilets, phones and recreation options.

Residential campsites operated or used by Victorian government schools must be accredited with a Department of Education and Early Childhood Development recognised accreditation provider. Refer to the School Policy and Advisory Guide, [Venue Selection](#) for current accreditation providers.

When using venues that do not require accreditation such as caravan parks, motels/hotels or ski lodges, schools may wish to refer to the accreditation criteria of a recognised accreditation provider when developing their risk management plan.

Provide details of all accommodation being used with your submission to school council.

Transport

Internal transport is provided by school-owned or private, staff-owned vehicles. External transport is transport provided by contractors, parents or other external providers.

The parent consent form should include a statement advising parents if a private vehicle is used as part of the emergency management plan for a camp or excursion.

If a teacher or staff member will be driving students, the program should allow them adequate rest time prior to driving, consistent with the advice on the [transport](#) page of the Safety Guidelines.

Give careful consideration to securing equipment during transportation, including equipment on trailers, roof racks and inside vehicles.

Supervising staff

A [Working with Children Check](#) is required for staff members who will supervise students and who are not registered teachers. This does not apply to parent volunteers whose child is participating in the activity/excursion.

Appendix C

Guidelines for teachers planning a camp

1. Introduction

Camps need to be planned well in advance and should relate to the curriculum being taught.

Students and their parents should be provided with information about the program's educational objectives, the nature of the activities, clothing requirements, the venue and costs well in advance.

Prior to single day excursions in which students leave the College grounds for the purpose of engaging in educational activities, the approval of the principal must be obtained.

College Council is responsible for the approval of:

- overnight excursions
- camps
- interstate and overseas visits
- excursions requiring sea or air travel
- excursions involving weekends or vacations
- adventure activities

Before approving an excursion, consideration by the principal and/or College Council needs to include:

- the contribution of the activity to the College curriculum
- the adequacy of planning, preparation and organisation
- the provisions of the safety and welfare of students and staff
- the experience and competence of staff relative to the activities being undertaken
- the adequacy of student supervision
- the cost

A parent must provide written consent for their child to take part in an excursion. Parents asked to sign consent forms must be given sufficient information about the nature of the proposed activity, the risks involved and the degree of supervision.

Parental consent is required for the following reasons:

- to authorise the College to have the student in its care after normal College hours
- to authorise the College to take the student out of the College environment
- to alert the College to any medical condition or allergies of the student
- to authorise the College to consent to emergency treatment for the student
- for the parent to consent to any financial cost of the excursion
- for the parent to consent to the student being sent home in the event of any serious misbehaviour

Consent forms are to be taken on the excursion by the teacher in charge, and the designated College contact person should hold a list of participants, a copy of the consent forms and contacts in case of emergency.

In addition to any teachers employed by the DEECD or the College Council, excursion staff may include other adults on a volunteer or paid worker basis, such as parents, school services officers, community members, campsite staff and trainee teachers.

College uniforms **must** be worn on all College excursions except whenever specialised clothing is a requirement, e.g. snow trip.

Only students who display sensible and reliable behaviour at College will be taken on camps and excursions outside the College.

Sensible and reliable behaviour at camps and excursions will be expected at all times. ***Students can be sent home if their behaviour warrants a severe consequence.***

2. Planning

Forward planning takes into consideration whole College demands and must ensure that the normal College program is not consistently disrupted.

Planning should include:

- a clear aim
- costing – transport, admission, etc (the costing must be realistic in terms of the nature of the experience and the resultant learning outcomes)
- the opportunity for payment in advance, by instalments or lump sum payment may be offered to parents
- staffing needs
- pre-visit if venue is new/unknown
- consideration of children whose parents may not be able to meet costs
- excursion book maintained for evaluation of the camp/excursion for future planning
- excursion approval forms to be completed and handed in one week prior to the activity
- arrangements for covering camp staff classes while they are away from College

3. Preparation

Preparation for any activity should include:

- quotes for transport
- booking of transport
- confirmation time for departure and return
- informing specialist teachers, parent helpers, area coordinator
- informing parents attending activity on discipline procedures
- preliminary classroom activities
- collection of monies
- arrangement for College cheque
- medical information, precautions and First Aid kit

Appendix D

Notification of College Activity (Camps)

School councils are responsible for ensuring that the activities listed below are thoroughly planned, checked and documented in accordance with Department of Education & Training guidelines for the planning and conduct of camps, excursions and outdoor adventure activities. If comprehensive information is required during an emergency, Colleges will be expected to provide it at any time of the day or week from the documentation prepared for the activity which is held by the College.

Relevant details about School Council approved camps and excursions must be entered into the DET database using the online notification form available at:

www.eduweb.vic.gov.au/forms/schools/sal/enteractivity.asp

This notification should be provided three weeks prior to commencing the activity.

- overnight, weekend, interstate, overseas activities
- adventure activities
- non-adventure activities which, by their nature, location or timing, may be hazardous
- school closures, pupil free days, combined sports or cluster days

Notes:

1. An additional sheet listing the actual dates and locations of activities should accompany this form when the same activity is to be repeated on different occasions.
2. The coordinating College should complete the form for activities involving a group of Colleges.
3. Day excursions should be reported if activities are to be conducted by:
 - country Colleges - beyond the local town/city
 - rural Colleges - beyond the local area
 - metropolitan Colleges - beyond the greater metropolitan area
